1

Thank you for the Father Effect Event in Grand Haven tonight. Work miraculously to establish relationships that meet the needs of fathers in the Tri-Cities.

2

Thank You, God, for each person who participates in our W4L. Thank You for filling them with the desire, strength, courage and boldness to participate in this event!

3

Every time we think of the people who give their love, time, talent, donations and prayers, we give THANKS to God! We couldn't be here without You!

THANK YOU FOR PRAYING AND WALKING WITH US! - MARK 2:1-11

4

God, we admit that we sometimes rebel against Your purposes for our lives. We repent and agree to cooperate with You even when we don't understand Your plan.

5

God, Your ways are not our ways. Help the PO Staff and Board to surrender to Your ways when things don't go as they had planned.

6

God, thank You for the plans You have to prosper J&T, even when they don't understand how You can possibly use this situation. Nothing is too difficult for You.

7

God, may L say 'Yes' to Your plan for her life. Work in her heart to trust that You are working all things together for her good. Even when she can't see it.

8

Thank You for preparing in advance good works to be completed through Positive Options. Thank You for upholding this ministry for 50 years.

9

God, You bring completion. When C&T long for closure, may they trust that You have begun a good work and You will see it through to the end.

10

God, please fill K with courage to take action. Banish fear from her heart and mind, and fill her with faith that You are working on her behalf.

WE ARE CREATED FOR A PURPOSE - ESTHER 4:12-14

11

God, when satan tempts the board and staff to do this work in their own strength, redirect them so that they rely on Your power in the midst of their weakness.

12

Work in the lives of each PO employee so that prayer becomes a daily discipline. May they hear and obey Your voice.

13

God, may R acknowledge her dependence on You. Her life and the lives of her children are in Your hands. May she realize that this is a good place to be.

14

God, please build up the bonds of friendship between those who volunteer at Positive Options. May they support one another and seek your face together.

15

Thank You for using PO to answer the prayers of mothers and fathers whose children are experiencing an unplanned pregnancy.

16

Thank You for being a God who rescues. Please reveal to S & T that their unborn child is a gift, and not a burden.

17

Thank You for the 191 people who received this prayer calendar as an email this month. May they print it and use it to pray for the work of Positive Options!

SEEK GOD'S HELP - ESTHER 4:16

18

God, You are a father to the fatherless. Thank You for the many ways You are using Positive Options to encourage and strengthen men in their roles as fathers.

19

God, please bless PO's Fatherhood Services with an abundance of resources. Raise up donors who will continue to fund the salaries of our staff members.

20

May J seek to understand his own father's absence. Enable him to forgive the hurts he's endured, so that he can be the one to end the cycle of fatherlessness in his family.

21

Thank You for the men who volunteer and build relationships with PO clients. Bless them with an abundance of love. Out of the overflow of their hearts may they serve our clients.

22

God, please remove D's obstacles to receiving the love of a father. Pride. Selfishness. Anger. Uproot these barriers and replace them with love.

23

Thank you for teaching us to pray... "Our Father." Thank You for making us Your children, sons and daughters of the most high king! We love You!

24

God, as we walk, we raise our voices TOGETHER in prayer. We agree with one another and pray in one accord. You are the one true God, the Creator of life!

FATHER'S DAY

GOD IS OUR LOVING FATHER - ABBA, DADDY!

WALK4LIFE

25

Thank You for Esther's bravery. Thank You for her willingness to risk her own life to save the lives of her people.

26

Thank You for each talented staff member who chooses to use their gifts working at PO. Please bring people to replace those who leave PO to follow another calling.

27

God, You reversed the fortunes of Esther and her people and rescued them from an unjust attack. Please rescue those who are deceived by the world's view of abortion and save their children from death.

28

God, please enable our churches to listen first. May churches become the first place people go for help when they experience an unplanned pregnancy.

29

Thank You for preserving Esther's story. Thank You for the way it reminds us that even when we live in a place that doesn't acknowledge Your Sovereignty, You are still King.

30

Thank You in advance for future clients at PO who will someday reinvest their time and talent by working at our centers, freely sharing their stories and paying forward the blessing they received.

BE BRAVE AND SHARE YOUR STORY - ESTHER 7:1-4
