

## Single Session Interactive Workshops

The following sessions are facilitated by Positive Options staff and designed to foster sensitivity, transparency, and deeper discipleship in every church. Presenters are able to combine or modify individual sessions to accommodate time or format, depending on specific needs of your church.

### **Cultural Issues and Trends of Life and Family** (2hrs)

This session will introduce your community to the pro-abundant life movement. It offers understanding of historical influences and current opportunities affecting the body of Christ and its potential impact on pregnancy decisions and abortion. Information is powerful. Begin the conversation and learn key strategies to change the abortion narrative.

### **Sharing the Gospel: Turn Everyday Encounters to Jesus Conversation**(2hrs)

Often, introducing the gospel into conversation with someone can feel risky, awkward or difficult. This fun and interactive workshop is designed to help Christians become prepared and practiced in sharing the Good News with anyone, anywhere. Learn a simple Gospel model and 'put on your bold' as you celebrate your own journey with Jesus, and bring others along with you using confident and meaningful steps of discipleship.

### **Speaking to the Tough Issues: Posturing and Practice** (2hrs)

Bringing hope to hurting people begins with making a positive connection and listening with authentic curiosity. Knowing how to effectively engage vulnerability with permission and with skill is powerful. This session discusses healthy communication, asking the good questions and our response to challenging conversations we encounter as we love and serve others.

### **The Father Factor: Helping Men Become Intentional** (1.5hrs)

In this session we will learn about the value and significance of fathers and fatherhood, the influence they have in an unplanned pregnancy decision, and the role they play in establishing a healthy family and abundant living. We will address the issue of fatherlessness in our culture, and identify practical ways the church can offer a transformational solution.

### **Abortion Aftercare: Find Someone Safe. Be Someone Safe** (2hrs)

Help Christ's church build courage and transparency around the issue of abortion by opening conversation about abortion in the church, in our culture and in the stories of those closest to us. This session will grow what you know and offer positive next steps of help and healing for men and women.

"We cared for you so deeply that we were delighted to share with you not only the gospel of Jesus, but our own lives as well." 1 Thessalonians 2:8
