# Honor a Life-Giver and Empower a Life-Chooser

Mother's Day and Father's Day are sacred reminders of the love and sacrifice that shape us. This year, we invite you to honor your mother, father, or mentor who has shaped your life—**by giving in their honor or memory to support moms and dads who are just beginning their journey.**

Your gift provides:

- Pregnancy support and education
- Parenting and fatherhood mentorship
- Life-affirming medical services
- Material assistance and spiritual care

*"Honor your father and mother"  
which is the first commandment  
with a promise.* Ephesians 6:2

## A Mother's Strength Changes Everything

**Mother's Day – May 11, 2025:** Motherhood starts with a decision and is sustained by courage, love, and resilience. At Positive Options, we support women facing unexpected pregnancies with compassionate care and encouragement. Through hope, resources, and education, we help them gain the confidence to thrive — because when someone believes in them, they begin to believe in themselves.

## Fatherhood is a Brave Choice

**Father's Day – June 15, 2025:** Fatherhood is a calling answered with courage. At Positive Options, we support men who choose to show up, learn, and lead—many without role models of their own. With guidance and support, they're building a new legacy of love, consistency, and faith for their children.
