

## ONE HOUR OF LIFE-SAVING IMPACT

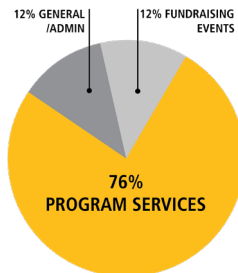

So much can happen in just one hour!

- A frightened mom receives **pregnancy option counseling and medical services**.
- A couple **gets a life-saving view of their baby** for the first time through ultrasound.
- An **overwhelmed dad meets with a male advocate to talk** through pregnancy options and fatherhood.
- A young woman experiencing heartbreak **hears that she's worth waiting for**.
- A new mom and dad **learn to become partners and parents** in their parenting session.
- A room filled with **middle school students learn how purity is possible** in the midst of a sexually charged culture.
- A group of **church members learn how to be a safe place** for those considering abortion.
- A **lost soul hears the Gospel**, maybe for the first time, accepts Christ as Savior, and is forever changed.

bestlife  
{parent}  
& {now}

BestLife {parent} and {now} represent our parenting education classes. These classes, offered to both men and women, teach them to care for their child before and after its arrival.

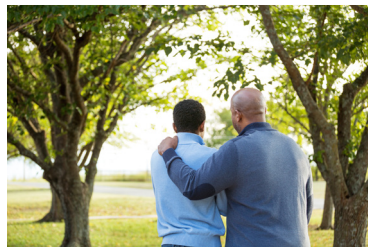

bestlife  
{project}

{project} BestLife serves area schools, churches, parents, and teens by bringing social and sexual health education to students. Our team equips them to choose healthy lifestyles and relationships.

bestlife  
{hero}

BestLife {hero} serves expectant fathers with pregnancy option information and parenting education.

bestlife  
{community}

BestLife {community} exists to equip members at local churches to become safe, educated, and responsible encouragers for those facing an unplanned pregnancy, those considering abortion, and those having experienced abortion. It also exists to connect our moms and dads to the church – a healthy body equipped to provide support and community long after they leave our care.

POSITIVE  
OPTIONS

Positive Options identifies our medical services; pregnancy testing, ultrasounds, limited prenatal consultation, and medical referrals in each of our centers.
