## SAVE LIVES. EQUIP FAMILIES. STRENGTHEN COMMUNITIES.

With more than 5 out of 10 pregnancies in Michigan being unplanned, the need for compassionate, life-affirming care continues to grow. Your business sponsorship helps save lives through free, life-saving medical services such as pregnancy testing and ultrasounds, equips families through parenting and fatherhood support, and strengthens communities through confidential aftercare for those experiencing pregnancy loss or abortion and educational programs that empower students to make healthy, informed choices.

### HOW YOUR GIFT HELPS...

- **24/7 Nurse Chat Access:** Immediate, confidential support that leads to action: 89% of appointments are booked, with a 65% increase in clients showing up for care.
- **Targeted Bus Advertising:** Reaching thousands daily through Grand Valley State University routes in Grand Rapids. The MAX Transit bus routes in Holland, and Zeeland.
- **Campus & Sports Complex Outreach:** Connecting with students and young families where they live, study, and gather.
- **Google Ads That Reach Her First:** Connecting women to support before fear takes hold and before abortion feels like the only option.
- **Virtual Geofencing:** Delivering compassionate messages when someone is actively searching for answers.
- **Next-Gen Digital Advertising:** Reaching both men and women on the platforms they use most, beyond traditional search.

### THANKS TO THE GENEROSITY OF DONORS LIKE YOU, MORE THAN 75% OF OUR CLIENTS WITH A POSITIVE PREGNANCY TEST CHOOSE LIFE.

Your support makes it possible for clients to receive resources, mentoring, and compassionate care that empower them to make life-affirming choices. One such client, **Natali**, came to Positive Options during a season of uncertainty, unsure of what her next steps should be or where to turn for support. Through compassionate care and a listening presence, Natali was given space to slow down, ask questions, and feel seen. During her visit, she encountered hope, discovered strength she didn't know she had and reassurance that she was not alone. With the support from Positive Options, Natali found clarity, courage, and renewed confidence in her ability to move forward.

### BRING HOPE TO FAMILIES TODAY

Partner with Positive Options to provide life-changing support like medical care, education and guidance to families when they need it most.
