

## RISE UP AND WALK!

There's something powerful hidden in the climax of every great story. We wait patiently for it in our favorite action movies, when the Hero emerges from the background into the battle to rescue the captives and destroy the darkness. That moving moment is woven into the fabric of human history at the cross of Jesus Christ. When the darkness seemed to have won, the Hero of all heroes, Jesus, shattered the forces of evil and emerged victorious over death, sin and the devil.

Jesus didn't stop there, He filled us with His Spirit. We are the Avengers of life, hope and peace to our generation. Through the Holy Spirit we learn the will of the Father who created and sustains life, that we would know and enjoy the fullness of life in Christ.

This year, as we gather together on June 18th to Walk4Life, we are celebrating that power! The resurrection power that enables us to rise above the darkness and live as ambassadors of Christ. Join us in this celebration of His Life! God is the author and redeemer of life. Let's carry that message, believing in His redeeming power for our generation. Join us!

RISE UP. Take Courage and let's do this!

**TOGETHER** We can bring hope.

**TOGETHER** We can raise awareness of client needs and of work Positive Options is doing to meet those needs, every day.

**TOGETHER** We can pray and bring the Gospel,

On June 18, 2022, Father's Day weekend, would you help us by walking, praying, raising funds, sponsoring walkers, or becoming a monthly life keeper?

Join us June 19 and Walk4Life - as we make ready to speak those powerful words of healing to this generation:
