

JUNE 20, 2020

Life is precious!

We have given up our schedules, our activities, our jobs, and our freedom so that others may live! We are quarantined to save lives, yet abortion clinics remain open and take advantage of people facing fear, isolation and financial stress. Our response is to surround these same people with compassion, hope, help, and life! Join with us and let's make this our finest hour as we rise up and virtually WALK for them.

On June 20, 2020 Father's Day weekend, join us for our **virtual WALK4LIFE**. To get started, register online or use this pledge form, ask your family, friends, and co-workers to sponsor you as you Walk for Life! What a worthy cause!

To learn more about how you, your family, your small group, or your church can get involved, please email Kris at: kris.deboer@lpcenters.com

EXCITING NEWS!

This year LPC/Positive Options and the Pregnancy Resource Center of Grand Rapids are **joining forces**. We will both hold our virtual walks on June 20, 2020. As those committed to walking with us, let's get out and show our community, our neighbors, and every parent facing an unplanned pregnancy that we are here to help them, to love them, and to WALK FOR THEM.

UNITE • WALK • PRAY
