## POSITIVE OPTIONS BABY BOTTLE CAMPAIGN

### HOW IT WORKS:

Positive Options provides your church leadership with baby bottles. The church leadership distributes the bottles to the congregation. The congregation prayerfully fills the bottles with checks, cash and change. Filled bottles are returned to the church on a Sunday 3-4 weeks after being distributed. Arrangements are made with Positive Options for return of bottles. Tax receipts are issued for checks received.

### FREQUENTLY ASKED QUESTIONS:

**Q: How does the Baby Bottle Campaign help Positive Options?**

A: When members of your congregation save their change in our baby bottles, it assists Positive Options to provide services free of charge to approximately 4600 clients each year.

**Q: When should my church participate in the Baby Bottle Campaign?**

A: This fundraiser can be done any time of year. Popular times to run the campaign include: Thanksgiving, Christmas, Sanctity of Human Life in January, Easter, Mother's Day, Father's Day, or a summer VBS.

**Q: How do we know how many bottles we would need?**

A: Positive Options would love to see a bottle taken for every family in your congregation. We have found that children love to save their change for babies! We also offer a very large baby bottle for group participation.

**Q: How long do we usually have the bottles before turning them back in?**

A: The greatest impact would be for the bottles to go out and be returned over four Sundays. A form is provided for the congregation reminding them when to return their filled bottles.

**Q: Do we need to count the money?**

A: No. You do not need to count the money or roll the change.

**Q: Is there a Video?**

A: Yes, you can find the video on vimeo: <https://vimeo.com/471406064>

**Thank you for considering POSITIVE OPTIONS as a mission opportunity for your congregation!**
