SANCTITY OF HUMAN LIFE AT POSITIVE OPTIONS

Every life has a story, and every life matters to God. Yet for many women and men facing an unexpected pregnancy, the future can feel uncertain and overwhelming. In those moments, having someone who will listen, care, and walk alongside them can make all the difference.

At Positive Options, we have the privilege of being part of those stories. Through free medical services, education, and practical support, we help women, men, and families find encouragement, hope, and the confidence to take their next steps.

With over 1,700 client visits and more than 200 ultrasounds across our four centers in 2026 we are reminded that behind every number is a person whose life has immeasurable value.

SOW IN FAITH, HIS HARVEST AWAITS

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.
— Galatians 6:9

A farmer plants his seeds in faith. He knows what he has planted, but cannot see what is happening beneath the soil or how plentiful the harvest will be. He faithfully tends what he has planted, trusting God with the outcome.

The same is true in our ministry. Every conversation, prayer, and act of generosity plants seeds of hope in the lives of people who are precious to God. Sometimes we see the fruit of our efforts, while other times, we may never know the difference we've made.

Galatians 6:9 reminds us not to grow weary in doing good. Our responsibility is to sow faithfully, love generously, and steward wisely what God has entrusted to us.
The harvest belongs to Him.

Every seed planted has the potential to grow into something greater than we can imagine. The same is true of every prayer, every gift, and every act of service.

Your involvement makes it possible for Positive Options to reach women, men, and families who need hope and support. Whether you **pray** for those facing difficult decisions, **give** to sustain this ministry, **volunteer** your time, or simply **tell** someone about Positive Options, you are making a difference in ways you may never fully see.

Together, we can continue to sow in faith, trusting God with the harvest. **We invite you to be part of the work God is doing!**
