Walk4Life is a fundraising opportunity that allows you to partner with our Positive Options centers in Allegan, Allendale, Grand Haven and Holland, to serve women facing unplanned pregnancies. Proceeds from this event enable our centers to provide free services and support to over 600 clients per year who need to hear that God loves them, their babies, their family and has a plan, purpose, and destiny for their lives.

Positive Options serves our community by building a vibrant community where every life is valued, loved, protected and transformed because of the gospel of Jesus Christ.

We love people to life before during and after a pregnancy decision.

THREE PRAYER STOPS FOR WALK4LIFE

INSTRUCTIONS:

There are 3 prayer stops along the walk. Please stop at and read through each. Prayerfully read the scripture assigned to each stop as well as, the “walk and talk” idea. A suggested prayer has been given, but please pray as you are led.

PRAYER STOP 1

RISE UP

When the darkness seemed to have won, the Hero of all heroes, Jesus, shattered the forces of evil and emerged victorious over death, sin and the devil. Jesus didn't stop there, He filled us with His Spirit. We are the avengers of life, hope

and peace to our generation. Through the Holy Spirit we learn the will of the Father who created and sustains life, that we would know and enjoy the fullness of life in Christ.

PRAYER: *Jesus - you are the RESURRECTION and the LIFE! We confess that we give up hope and stop trusting in the face of death.*

Help us to see that death is defeated and death is temporary - NOTHING and NO ONE can separate us from your love. Thank you that we do not grieve as those who have no hope. Thank you for the hope of your miraculous intervention in our lives each and every day - no matter what circumstances are around us - we always have hope because YOU - the miraculous resurrection and the life- are WITH us! Help us to RISE UP in courage and take action. Show us what actions you would have us take. May we only do the things we see the Father doing. May we only say things that we hear the Father telling us to say.

WALK AND TALK: Do you know any resurrection stories? Do you have any dreams or hopes that died - but God brought them back to life?

PRAYER STOP 2

TAKE COURAGE

God spoke these words to Joshua, “ Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.” God speaks the same words to us! To take courage is to take action, in spite of feeling afraid.

PRAYER: *God, you are strong - and you are with us. We put our hope in your strength - not in our own efforts. We confess that we are afraid of many things. Thank you for knowing all about our weaknesses - and still choosing to work in us and through us. We choose today, to be courageous - to keep on trusting... to keep on loving... to keep on fighting for life and not to give up.*

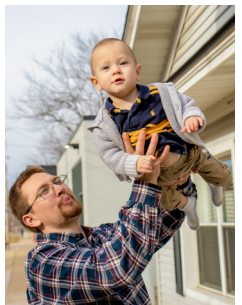

WALK AND TALK: What are some things that you feel afraid of? Is there anything would you do differently if you were not afraid? What would it look like for you to have courage in these situations?

PRAYER STOP 3

DO IT

When people feel afraid, they often fail to put their thoughts and words into action. They “chicken out.” This is especially a problem for Christians, because if we say one we love God, but don't DO the things God does - our Faith is dead!

PRAYER: *God of Action- You created the world - and everyday you are upholding it. You are busy acting on our behalf. We confess that we fail to act in accordance with Your will. So often we don't know what to do, so we do nothing! Thank you for being our guide and directing our steps. Thank you for the action you took by sending Jesus to demonstrate your love. Help us to DO things that please You. Show us how to break out of our inhibitions and take actions that are in accordance with your will.*

WALK AND TALK: Is there anything that you feel the Holy Spirit nudging you to do? What actions might demonstrate to your friends and family that you are a lover of life?
