

JUNE 19, 2021 @ 9 AM

RISE AND WALK!

When Peter spoke those words - he was looking at a man who needed not just money - but healing. Peter had been following Jesus for a short time - but it was long enough to know that He had the power to save and heal humanity. Peter took that message to everyone he could reach.

We feel very much like Peter at this point in history. We have the opportunity to meet with people in deep need of healing and the hope needed to build a family. Every person who takes part in this work - the staff, volunteers, the board, donors, area churches, and the supporting community - feels that same urgency to be present for those in need. You feel it, don't you? You sense the urgency.

June 19, marks our annual fundraising event, Walk4Life - where we all gather together across communities - shoulder to shoulder (even virtually) to raise funds - so that we can stand with the young people facing an unplanned pregnancy.

TOGETHER
we can bring hope.

TOGETHER
we can raise awareness of client needs and of work
Positive Options is doing to meet those needs, every day.

TOGETHER
we can pray and bring the Gospel,
filled with the love and wisdom of God, to our communities.

On June 19, 2021, Father's Day weekend, would you help us by walking, praying, raising funds, sponsoring walkers, or becoming a monthly life keeper?

This is our moment - at this point in history!
Join us June 19 and Walk4Life - as we make ready to speak
those powerful words of healing to this generation:

RISE AND WALK.
