## UNITING FOR LIFE: WALK4LIFE 2023

We are excited to announce our annual Walk4Life prayer walk, which will take place on June 24th, 2023 in four different locations. Walk4Life is a simple way for people of all ages to get involved by actively demonstrating support for the value of human life, and a desire to make a difference in the lives of women, men, students and babies in our community.

We celebrate the value and sanctity of human life inspired by the story of our client, Olivia. Despite being young and full of dreams, she found herself pregnant. She chose life for her little boy Asher. Olivia's story is a powerful reminder that every human life is precious. By raising funds and walking yourself or sponsoring another walker for Walk4Life, you are directly helping the ministry of Positive Options advance the vision to build a vibrant community where every life is valued, loved, protected, and transformed because of the gospel of Jesus Christ.

Our theme this year is found in Esther 4:14, where Mordecai reminds Esther that perhaps she was placed in her royal position "for such a time as this." The story of Esther reminds us that every person has a unique purpose and calling in life. As we gather for our annual Walk4Life, we draw inspiration from the story of Esther, the power of faith and perseverance, to create a culture that values and safeguards every human being.

Join us for our annual prayer walk on June 24th at 9AM. As we **UNITE** together as believers, **WALK**, collect pledges and **PRAY** we can make a real difference in our communities. We would love to have a team from every church, youth group or family in the area participate this year.
